Buddy's has been in business in Alabaster since 1976. Probably the longest running food business in Alabaster. Our Bar-B-Que is cooked the old fashion way, on a pit over hickory wood fire. All sides are handmade. We peel fresh potatoes, cook fresh eggs for the potato salad. The Cole slaw is made w/ fresh veggies chopped and mixed for a fresh taste every bite. We truly appreciate everyone's business and will give the best and friendliest service we can.

Thank You! **Buddy**
